New Software Creative Vision 5.0 and Creative 4.0

A new software update is now available on Lotus Notes.

The new software version includes the following software improvements:

- Parking position of 260x200 embroidery unit has been changed.
- Minor software improvements.

New software versions:

Creative Vision 5.0: 15493_5177

Creative 4.0: 1503_5177

It is always recommended to update the sewing machine to the latest version.

Note! If "Advanced Options" and "Restore to default factory embroidery disk" is selected, all user saved files and user saved stitches (also in category 7, Personal Stitches) will be overwritten. For the correct loading procedure, please follow the Update Instructions on www.pfaff.com.
